Directions to our Hotel

We are located just off I-90(the Mass Turnpike).

East Bound: take Exit 18-Brighton/Cambridge

West Bound take Exit 20-Brighton/Cambridge.

After paying the \$1 toll, bear right towards Cambridge; you will see the hotel on the right.
Turn tight at the second light as if you were getting onto "Storrow Drive – East" towards downtown Boston.
The driveway to the hotel is off the entrance ramp to Storrow Drive.

There are several options for getting from Boston Logan Airport to the hotel:

1. Taxis are your best and easiest bet. Cabs are located outside all baggage terminals. It is now a very short ride of about 7 minutes via the new tunnel on the Mass Pike (I-90 W). Cost is about \$30, with tip, due to tolls.
2. Second easiest option is a private shuttle. We have had great success with Candiani Transportation. Advance reservations are required by calling 617.438.3684. Cost is \$20 for one person and \$14 for two or more, plus gratuity. They may make other stops along the way.
3. The closest subway (the "T" as it is called in Boston) is Central Square on the Red Line which is one mile away from the hotel. This requires taking a bus from the terminal to the Blue Line and then a switch to the Green Line "westbound" one stop to Park Street station, and switch to the Red Line "outbound" towards "Alewife" to Central Square station. The hotel is a one mile walk straight down River Street towards the Charles River. We are on the intersection of River Street and Storrow Drive, just over the river on the Boston side. Further information may be obtained via www.MBTA.com.
4. Should you elect to obtain a rental car, then you want to follow the signs to I-90 West/Massachusetts Turnpike via the Ted Williams Tunnel to exit 20 "Brighton/Cambridge." After paying the \$1 toll, bear right towards Cambridge; you will see the hotel on the right. Right at the second light as if you were getting onto "Storrow Drive – East" towards downtown Boston. The driveway to the hotel is off the entrance ramp to Storrow Drive. At the time of check-in, the Front Desk will provide you a key that will access both your room and the garage. Parking is \$20/night with unlimited in/out privileges in our attached garage. Do keep in mind that driving in Boston is tricky as the road configurations are former cow paths and not laid out in grid fashion. Further, parking is very tight and expensive.

In any case, be sure you specify to your driver that you are going to the Doubletree Guest Suites on Soldiers Field Road. There are several Doubletrees in town and this often leads to confusion.

Hope this was of assistance. Please let us know if we may provide any further information.
