## Amtrak (Back Bay Station)

Get off at the second to last stop “Back Bay Station” as opposed to the final stop “South Station.” The hotel is an easy walk unless you have a lot of luggage.

Exit the train station taking a right onto Dartmouth Street. Take your first left onto Stuart Street (cross over Stuart and follow the street on the far side adjacent the Westin.) Stuart will turn into Huntington Ave. at the next block. Again, cross over Huntington and continue to follow Huntington on the far side adjacent to Shaw’s Supermarket. Follow one block and take a right onto Belvidere just after the entrance to the Prudential Shopping Center. You will see the hotel one block up Belvidere at the corner of Dalton Street.

## **Boston Logan International Airport**

There are three options to get to the hotel from Boston Logan International Airport:

1. Boston taxis are available outside Baggage Claim at all terminals 24 hours a day and provide your easiest and quickest option. The total fare to the hotel will be about \$38 due to tolls/fees. Total travel time will be approximately 15 minutes and most likely will weave through Boston neighborhoods, which is actually the shortest route, so not to be alarmed. It is recommended that you ask the taxi driver for a receipt showing the driver's name, taxi company, amount paid, and medallion number.

Station wagons, accessible taxis for persons with disabilities, and credit card taxis are available upon request at Logan Airport. See a Massport Ground Transportation agent, located outside of each terminal on the arrival level, for further assistance. Station wagon and van taxicabs are entitled to an additional \$6 fee if a passenger has excessive luggage, skis or boxes. Passengers needing a lift-equipped or ramp-equipped taxi to get to Logan Airport should call their local taxi company directly. These specially equipped taxis are available from Boston and Cambridge at no additional fee.

2. Shared van service to and from Boston Logan is generally available every day from early morning until well after midnight.

Ultimate Shuttle has proven to provide consistently superior, reliable and professional shuttle service to our guests. In addition to shared van service, Ultimate Shuttle can also provide private Town Car, SUV and group van service meeting all your transportation needs while in Boston. Reservations can be made directly on-line: [www.ultimateshuttle.com](http://www.ultimateshuttle.com). In the upper left corner, enter "HiltonBB" as the "Frequent Rider ID" to access special discount rates.

3. The third option is the subway (or the "T" as it is called in Boston). The MBTA runs a complimentary shuttle bus service outside Baggage Claim at all terminals to the recently renovated airport subway station on the "Blue Line" in-bound. Change at "Government Center" to the "Green Line" Outbound. The "Prudential" stop on the Green Line "E" train is the easiest station. Exit the station onto Huntington at the Prudential Center Shopping Mall and take a right onto Belvidere Street. You will spot the hotel one block down Belvidere at the corner of Dalton Street.

You may also take the any of the other Green Line trains (B, C, or D trains). In which case, get off at the "Hynes Auditorium" stop. Exit the station onto Massachusetts Avenue and take a left for two blocks. Left onto Belvidere Street. You will see the hotel one block down on the corner of Dalton Street just past Saint Cecilia Church.
